BMW 3 Series AirTouch 3D

BMW 3 Series AirTouch 3D is a new feature that allows drivers to interact with the car's infotainment system using hand gestures. This technology is part of BMW's i Vision Future Interaction concept, which aims to create a more intuitive and natural way of interacting with the car's controls. The system is designed to be used in conjunction with the BMW ConnectedDrive system, which provides a range of services and features that can be accessed through the car's infotainment system. The BMW 3 Series AirTouch 3D is a testament to BMW's commitment to innovation and its vision of the future of driving.
