

A close-up photograph of a person's hand holding a yellow pencil, filling in a bubble on a multiple-choice test sheet. The test sheet is white with a blue header and a blue line separating the header from the questions. The questions are numbered 1 through 28, and each has five options labeled A, B, C, D, and E. The person's hand is positioned over question 25, and the pencil is in the process of filling in the bubble for option B. The test sheet is placed on a light-colored wooden surface. Another yellow pencil is visible in the background, lying on the wood. The test sheet has a perforated edge on the right side. At the bottom of the page, there are checkboxes for 'PRESCORE', 'MARK', and 'TOTAL ONLY'.
