

An illustration of a computer workstation on a dark grey desk against a teal background. A large desktop monitor displays a bright orange screen with a white eye icon and the text 'VIRUS ALERT' in white capital letters. To the left of the monitor is a laptop showing a code editor with a red bug icon in the center. Above the laptop, a white floppy disk and a paperclip icon are shown. A white mouse is on the desk to the right of the monitor.

[illegible]
