

An illustration showing a group of business professionals in various poses of running and reaching towards a large, stylized hand descending from the top of the frame. The scene is set against a light blue background. The figures are dressed in business attire, including suits and blouses. Some are carrying briefcases or documents. The large hand is a simple, orange-brown color with a white cuff visible at the wrist. The overall composition suggests themes of guidance, support, and forward movement in a business context.
