The image shows a smart building interface. A large digital screen displays a floor plan of a building, with various rooms and corridors color-coded. The screen is mounted on a wall. Below the screen are three large wooden recycling bins. The bins are labeled 'Organics', 'Landfill', and 'Recyclables'. The 'Organics' bin is green, the 'Landfill' bin is grey, and the 'Recyclables' bin is blue. The bins are made of wood and have circular openings for disposal. The background shows a hallway with a vending machine and a door.
