Peugeot 2008 Crossover Review and Specs + Photos

The Peugeot 2008 is a compact crossover SUV that was introduced in 2013. It is based on the Peugeot 208 hatchback and shares its platform and engines with the 208. The 2008 is available with a range of petrol and diesel engines, including the PureTech 1.2-litre three-cylinder petrol engine and the BlueHDi 1.6-litre diesel engine. The 2008 is also available with a range of trim levels, including Active, Allure, GT Line, and GT.

The Peugeot 2008 has a distinctive design that sets it apart from other compact crossovers. It has a high ground clearance, a sloping roofline, and a prominent front grille. The 2008 is also available with a range of optional extras, including a panoramic sunroof, a reversing camera, and a 3D LED headlights. The 2008 has a spacious interior with plenty of room for passengers and luggage. It has a comfortable ride and handles well on the road.
