BRONZE SERVICE - £395

* The photographer recording everything from the start of the day. The little details as preparation gets underway, the trip to the church/register office, the ceremony itself and outside the church. James Brown shoots a mixture of classic poses and lifestyle images, in colour and black and white.

* You get 50, 7" x 5" high quality prints, with a satin finish, of the best photos from the day.

This service is only available locally.

SILVER SERVICE - £495

* As with the Bronze service, the photographer records everything from the start of the day, right through to the service. Also, the reception is now covered, up to 7pm, inside or out.

* You get 75, large 8" x 6" high quality prints, with a satin finish, of the best photos from the day.

GOLD SERVICE - £695

* As with the Bronze and Silver services, the wedding is covered from the starting preparations to the finishing reception, whatever time in the evening that might be. On top of this I will also shoot specific portraits and special setups of the bride, the groom and both together after the wedding. All
