Hello, Windows Insider –

We hope you're enjoying the Windows Insider Program.

We want to continue to provide the best Insider experience we can, so we're asking Insiders like you to take a few minutes and complete a short survey. This survey will help us update the Insider experience since the survey we sent out last year – and it includes several new questions to help us deliver even more of what's important to you.

Survey results are anonymous unless you choose to provide your name.

To proceed with the survey, please click the link below or copy into your Internet browser:

Thanks again for helping make Windows – and the Windows Insider Program – even better,

The Windows Team
