Canned responses are a great way to save time and keep your inbox organized. You can create canned responses for common replies, such as "Dear Reader..." or "Thank you for your feedback." To create a new canned response, click on the "Canned responses" link in the Gmail Labs menu. This will take you to the "Responses" page, where you can create, edit, and delete your canned responses. Once you've created a canned response, you can use it by clicking on the "Canned responses" link in the Gmail Labs menu and selecting the response you want to use.

Google+ is a social media platform that allows you to connect with friends and family. You can use Google+ to share photos, videos, and text. You can also use Google+ to join groups and follow people. To create a new Google+ profile, click on the "Create profile" link in the top right corner of the Google+ homepage. This will take you to the "Create profile" page, where you can enter your name, email address, and profile picture. Once you've created your profile, you can start using Google+ to connect with others.

A screenshot of an email inbox interface. At the top, there is a search bar with a magnifying glass icon. Below it, a toolbar contains several buttons: a trash can icon, a 'Mark as read' button, a folder icon with a dropdown arrow, a tag icon with a dropdown arrow, and a 'More' button with a dropdown arrow. A red arrow points to the 'More' button. Below the toolbar, a list of email snippets is visible, each starting with a subject line and followed by a preview text. The first snippet is 'All 100 conversations on this page are selected. Select all 160 conversations in "Newsletters"'. Other snippets include 'Sitcoms are being strangled by a lack of conflict - View this email in your browser FILM TV CLUB MUS...', 'Why You're Still Bored, The 10 Commandments of Color Theory and other interesting conte... - Visual.I...', 'New Music on Spotify - See what's new on Spotify | View in your browser Spotify Another week means...', 'Posthumously on... : 16 TV characters who died after their performers did - View this email in your bro...', 'With the La Bamba soundtrack, America got the chance to right some wrongs - View this email in your...', 'Award-winning app djay2 - now available for Spotify users - Spotify Being a DJ has never been easier...', 'The monoliths: 17 supercomputers from the '60s - View this email in your browser FILM TV CLUB MUS...', 'Foo Fighters' Taylor Hawkins on why he hates U2's "Discothèque" - View this email in your browser FIL...', 'RedLetterMedia: "Half in the Bag Episode 70: Transcendence and The Amazing Spider-Man 2... - Rec...', 'X-Men: Days Of Future Past embraces geeky, comics-style storytelling - View this email in your brows...', and 'The 25 Most Incredible Feats of Human Engineering the Ongoing Crisis of Fukushima Radi... - Visual...'.
