

A close-up photograph of a computer monitor displaying the Skype website. A large, black-rimmed magnifying glass is positioned over the center of the screen, focusing on the white Skype logo which is set against a blue background. The logo consists of the word "skype" in a lowercase, rounded font, with a small "TM" trademark symbol to its upper right. Below the logo, parts of the login form are visible, including labels for "Skype Name" and "Password", and a "Sign in" button. To the right of the magnifying glass, the text "Alternative" and "Outlook.com account" is partially visible. The overall image has a slightly grainy, high-contrast quality.
