The image shows the front cover of the magazine 'SHABAKEH' (No. 148, Sep. 2013). The cover features a large smartphone in the center, displaying three stylized horses (red, white, and gold) running. Above the phone, the title 'آینده پردازندۀ های موبایل' (Mobile Future Devices) is written in Persian. At the top left is the logo 'ASRE ARAD' (Information Technology Organization of Iran). The top right corner has the magazine's name 'شبكه' (Shabakeh) in large letters. Below the main image, there are several small boxes containing text and logos related to technology products like Windows Server 2012 R2, Logic Pro X, and Photoshop Creative Cloud.
