Keep Media: 1 week

Photos, videos and other files from cloud chats that you have **not accessed** during this period will be removed from this device to save disk space.

All media will stay in the Telegram cloud and can be re-downloaded if you need it again.

Clear Cache: 214.8 MB

Local Database: 152.1 MB

Clearing the local database will delete the texts of cached messages and compress the database to save internal disk space. Telegram needs some data to work, so database size will not reach zero.

This operation can take a few minutes to complete.
