A stylized image of a flower, possibly a daisy, rendered in a dark, almost black color. The flower is centered and has a prominent, dark center. The petals are also dark, creating a silhouette-like effect. The background is a vibrant green, filled with a dense pattern of white binary code (0s and 1s) that appears to be floating or falling, giving it a digital, data-driven feel. The overall aesthetic is high-tech and artistic.

[illegible]
