

Two white D-Link DVP-X050V Powerline AV2 2000 adapters are shown side-by-side. Each device has a sleek, rectangular design with rounded corners. The front face is white with a subtle diagonal line. The D-Link logo and model number 'DVP-X050V' are printed in black near the top. At the bottom, the text 'Powerline AV2 2000' is visible, along with a small black status indicator light and a button.
