

A hand is holding a small, black, square-shaped electronic device. The device has a matte black finish. In the bottom right corner, there is an orange logo consisting of a stylized 'M' shape above the word 'MARVELL' in a sans-serif font. Below the logo, there is a horizontal strip of small, circular perforations, likely for ventilation. The background is blurred, showing what appears to be an office or retail environment with other people and equipment.
