Williams F1 team has announced its entry into Formula E. The team will compete in the 2020/21 season under the name Williams Advanced Engineering. It will be the first time the team has participated in a road racing series.

The team will use a Williams Advanced Engineering Formula E racing boat, which is based on the Williams FW42 Formula 1 car. The boat will be powered by a Jaguar I-Pace electric motor. The team will also use a white Range Rover SUV to transport the boat.
