

iPhone 8

THESE SECRET CODES LET YOU ACCESS HIDDEN FEATURES IN YOUR IPHONE

[illegible]

A hand holding an iPhone 12 Pro Max. The screen displays a blue space-themed wallpaper with stars and nebulae. The time 1:43 is shown in large white digits, with the date Thursday, January 16 below it. At the bottom, it says 'Press any key to unlock'. The phone has a black front bezel and a silver-colored frame.

AMOLED (Active-Matrix Organic Light-Emitting Diode) technology is a type of display technology that uses organic materials to emit light. It is known for its high contrast, deep blacks, and vibrant colors. The "Ferrari" mentioned in the text likely refers to the high-end, premium version of the AMOLED display, which is often used in luxury smartphones and tablets. The text suggests that this technology is a key feature of the device being discussed, highlighting its superior performance and visual quality.
