

A sleek, black, oval-shaped Remix media player is centered against a white background. The device has a smooth, matte finish. The word "Remix" is printed in a silver, cursive font on the top surface. A small, glowing blue LED light is visible on the front edge of the device.

[illegible]

Finally, less can be more.

Introducing Remix Mini...

Remix Mini is a tiny PC. It gives you a PC experience unlike anything on Android and an Android experience unlike anything on a PC. Plug any display into your Remix Mini. Turn it on. What you do next is up to you.
