

The logo features the letters 'CEH' in a large, white, sans-serif font, separated by a vertical line. To the right of the 'H' is a small 'TM' trademark symbol. Below this, the words 'CERTIFIED ETHICAL HACKER' are written in a smaller, white, sans-serif font. The entire text is centered against a dark blue background. Behind the text is a glowing blue sphere composed of interconnected lines and dots, resembling a network or a globe. There are also some faint, larger circular light effects in the background.
