

A person wearing a blue hoodie is shown from the chest up. Their face is completely hidden behind a solid black circle. The background is dark and filled with glowing green elements: binary code (0s and 1s) and various terms related to cyber security and hacking, such as 'VIRUS', 'HACKER', 'PASSWORD', 'NETWORK SECURITY', 'IDENTITY THEFT', and 'INTERNET'. The overall aesthetic is digital and mysterious.

[illegible][illegible]

A photograph of a CVS/pharmacy storefront. The building features a prominent white facade with a dark brown decorative cornice. Large, three-dimensional red letters spell out "CVS/pharmacy" above the entrance. The entrance is covered by a white portico supported by square columns. A glass door with a "Hour Photo" sign is visible. The store is surrounded by a landscaped area with mulch and small plants.
