At the time, the game shadow fight has made a real revolution in the genre of fighting games, because she went to the game with a particular point of view, and with a completely new physics. Essentially shadow fight 1 to make a breakthrough by moving the games section of the fight in the modern fighting games. And it all seemed just shadowboxing 1 united eternal concepts such as shadows and fight and joined them in the slogan shadow fight. It turned out cool toy, but the purpose of this manual describe the following parts of this franchise, namely the shadow fight 2 shadow fight
