Go from zero to prototype in minutes

The diagram illustrates a rapid prototyping process. At the center is a white box featuring the Google logo (a blue circle, a red circle, a yellow circle, and a green circle) and two interlocking white gears. Four dotted lines radiate from this central box to four colored circles arranged in a square pattern. Each circle contains a white icon: a robotic arm (top-left, red circle), a server rack (top-right, green circle), a circuit board (bottom-left, blue circle), and a speaker (bottom-right, yellow circle).
